

## Leadership Skills – Taking Your People on the Journey

1 day  
Course

### 'Leading, Innovation, Encouragement, Motivation'

---

<b>Business Scenario</b>	The NHS is changing rapidly and in order to thrive in this environment, managers need to develop effective leadership skills. This includes providing direction, motivating staff, promoting teamwork, developing problem solving skills and effective communication. This one day workshop provides an opportunity to reflect on the nature of leadership and on how best to lead and motivate your team through change.
<b>Who will Benefit?</b>	Middle and senior managers with responsibility for team management.
<b>Course Objectives</b>	By the end of the course you will: <ul style="list-style-type: none"><li>▪ Have a deeper understanding of the nature of leadership</li><li>▪ Know how to create and communicate a vision for the team</li><li>▪ Know how to delegate effectively</li><li>▪ Understand motivational drives and how to use them</li><li>▪ Have considered different approaches to problem solving and how to structure your thinking effectively</li></ul>
<b>Course Features</b>	This workshop will include a variety of learning approaches including discussions, group work, exercises and questionnaires. Action planning is used for the successful application of learning and future development.
